Hor	. ic	a simple table without column lines:
пет	: 13	a simple table without column lines.
1	2	3
4	5	6

Simple list:

7 8 9

In this table you get column lines:

And of course you can get both:

4	5	6	
7	8	9	

1 2 3

And even fancier:

4 5 6   7 8 9	1	2	3	
7 8 9	4	5	6	
	7	8	9	

The full possibilities of Latex:

	1
